The manufacturer (Logical Choice Technologies Inc. of Lawrenceville, Georgia) warrants this 3Cam™ Classroom Camera to be free of defects in material and workmanship for a period of one (1) year of normal classroom use starting on the end-user's invoice date (as invoiced by the manufacturer or a 3Cam Authorized Reseller). This Return-to-Base Warranty is not transferable.

During the limited warranty period, the manufacturer will repair, or at its discretion, replace the faulty item with new or refurbished parts. When warranty issues call for a product return, a Return Material Authorization number must be obtained **BEFORE** sending goods back to Logical Choice. This RMA # must be clearly marked on the shipping container. Logical Choice reserves the right to refuse the shipment, if not properly marked. Return shipments to Logical Choice will be at the expense of the end-user customer. The shipping of the repaired camera back to the end-user is at Logical Choice's expense.

Logical Choice offers optional **Extended 3Cam Warranties**, which are made available only at the time of the original camera purchase. The education price for a *2-Year Warranty Extension* is \$49 (which yields a 3-Year Warranty overall). A 4-Year extension is \$89 (which yields a 5-Year Warranty overall).
