# Optional Supporting Products To Enhance Your Bundle

32 pack **Promethean ActivExpression 2 with ActivHub**  
**\$2,799**

24 pack **\$2,199**

An integrated student response system that allows students to text answers as full sentences, Likert scale, numerical responses, equations and multiple choice. Includes ActivInspire Professional, so it works with any brand of interactive whiteboard.

32 pack **Promethean ActiVote with Case and ActivHub**  
**\$1,799**

24 pack **\$1,399**

Voting devices for whole-class formative assessment when you really need it – during instruction! Includes ActivInspire Professional, so it works with any brand of interactive whiteboard.

**\$299** **Promethean ActivSlate 60 without Hub** (ActivHub \$99)

Using an ActivPen, the ActivSlate allows teachers or students the option to control the board from anywhere in the classroom. Hub is unnecessary if classroom has ActivExpression or ActiVote.

**\$650** **AudioGear Stage 2: Voice Enhancement Upgrade #59**

Wireless pendant microphone with remote volume controls, Infrared Receiver (includes wall mount), 360° infrared dome sensor and Cable and fastener kit.

**\$399** **ClassroomGear Deluxe Electronics Cart**

Conveniently holds everything the teacher needs within easy reach of his or her ActivBoard. Mobile cart is on 4 wheels. Lock/key for cabinet door.

**\$129** **Over-the-Board Mount**

To mount your ActivBoard over obstructions and without drilling existing board. Also, creates space behind the board for access to cabling and to mount accessories (e.g., AudioGear Stage 1 and/or Stage 2).

**\$79** **ActivWand 50**

The ActivWand 50 places inclusion within reach by putting a long, mouse-enabled pointer in the hands of those who need it most. It works with the ActivBoard 100, 300, 300 Pro, 500 and 500 Pro Ranges.

**\$150** **Workstation Extension Kit**

Without this kit, the teacher's computer must be 3 feet from the ActivBoard. This kit extends that distance up to 10 feet.

## Extend Your Service Support On-Site

**FREE Customer Care phone support** for any product purchased from Logical Choice.

- Option 1: On-Site Service Agreements**  
Have limited technical support on staff for maintaining and troubleshooting technology? Order blocks of on-site service time upfront so you will be ready when needs occur.
  - 10-Hour Block Time \$1,500 (\$150.00/hr)
  - 100-Hour Block Time \$14,250 (\$142.50/hr)
- Option 2: On-Demand On-Site Service**  
Schedule an on-site service technician as needed. Average on-site response time 48-72 hours after P.O. or credit card payment is received. Clock starts when installer checks in on site. Minimum time may be required depending upon location.
  - On-site rate: \$165/hr
- Option 3: Full-time On-Site Support Technician**  
A full-time technician will be assigned solely to you on an annual contract for large scale implementations. He or she will be equipped with all the tools and training necessary to keep your classrooms up and running.
  - Call your local K-20 Account Manager for quote.
