

Brought to you by America's leading Promethean provider

WELCOME TO

Grades 6-12

Channel One News has created a powerful new learning platform

Channel One News, America's leading TV news network for students, has joined forces with Promethean to create Channel One News InterActiv (C1Ni) in your choice of: 1) a new ad-free, on demand subscription format or 2) the traditional ad-supported, simultaneous playback format.

Provides Authentic Learning Experiences

- Connects the Classroom to the Real World
- Promotes Problem Solving and Critical Thinking

Promotes Student Engagement

- Students Interact with the Broadcast in Real-Time
- Provides Immediate Feedback from every student

High Quality Interactive Content

- Award-Winning Programming
- Award-Winning Technology
- Produced in Partnership with CBS News

Improves Teacher Effectiveness

- Daily Professional Development
- Skill Building and Instructional Strategies

Aligned to Core Subjects & Standards

- Common Core State Standards
- Covers 5 Core Content Areas: *Math, Science, English, Social Studies and Geography*

Saves Teacher Prep Time

- High Quality Interactive Digital Content
- Ready-to-Use, Easy-to-Adapt Flipcharts

NEW Turn-key Bundles to implement
Channel One News InterActiv

Channel One InterActiv Headend unit with installation

This store-and-forward device connects to the school's Ethernet network. It receives the daily news broadcast and related materials nightly, for use in the school the following day. Each school requires one headend unit to support up to 40 classrooms.

With an additional purchase of:
